About Us

We are extremely proud of the pioneering company we have created. Egoli prospect is a turn-key solutions company offering B2B consulting and support. As well as a top-tier consulting to public corporations in Africa.

Egoli prospects is a key supplier of business solutions and outsourced systems to government contractors, public agents, and private institutions which includes over 8 municipal clients in various states.

We are located in Pretoria, South Africa and partners with professional and skilled artisans of over 40 people that are dedicated to servicing the local and international market.

Our commitment to develop quality solutions and to provide the best possible service and support to our clients is second to none!
